Learning experience description

National Anthem Lyric writing challenge: (summative)

Please chose from the following:

- 1) Use AI song writing lyrics and write out your lyrics, then find an nationl anthem or music that would match it
- 2) Write your own lyrics to an already existing national anthem and sing it
- 3) Create a Canva video presentation video brochure about your country that matches your lyrics

You can work by yourself or in groups

- **Research and Inspiration:** Each group researches the history and values of different countries' anthems. (choose 3 and write it on the template provided) Listen to various anthems to understand their musical styles.
- **Choose one of the choices and work on it to create your own lyrics. Choose words you found that match what values or emotions of price you would want your country to have**
- **Music Composition:** Experiment with different melodies and rhythms to set your lyrics to music. Here is where you have the choice to choose which one you want to do from above.
- **Group Rehearsals:** Practice your anthem with your group, focusing on singing with accuracy and expressing the intended emotions through your performance.
- **Performance and Feedback:** Perform your anthem for another group. After each performance, conduct a T.A.G. session where students offer constructive feedback based on musical elements and emotional impact.

- **Reflection and Discussion:** Reflect as a class on the experience. Discuss how the anthems helped to deepen understanding of community and national pride.
